SUPERTAPE

SPEEDYMASK

2 in 1

PROTECTIVE MASKING FILM AND SELF ADHESIVE TAPE IN 1

- **saves time - up to 50%**
- **easy to apply**
- **clean removable**

PROPERTIES

- total surface protection while painting, plastering etc.
- excellent cling characteristics even on ceiling applications thanks to the static film
- for use inside and outside
- available with anti-slip film for floor applications
- can be folded out to a length up to 2700 mm.
- good adhesion to all surfaces
- rolls individually packed in protective shrink film
- user-friendly due to pre-folded film and practical dispenser
- considerable reduction of waste volume in comparison to paper
